

INSPIRED BY AUTISM. WRITTEN FOR EVERY CHILD.

A classroom-ready story that builds empathy, understanding, and inclusion.

ABOUT THE BOOK

This story was inspired by my son's experience with autism and is designed to help students better understand different ways of thinking, feeling, and experiencing the world.

While especially meaningful for autism support classrooms, this book is written for **all students** to promote empathy, awareness, and inclusion.

BEST FOR

Autism Support Classrooms

Inclusive / General Education Classrooms

Social-Emotional Learning (SEL)

Read-Alouds & Discussions

KEY THEMES
